FAST PITCH TUCSON

is a training program for nonprofit leaders and an event designed to create community-level change.

Eight nonprofit organizations will receive a FREE five-month training program to help them improve their fundraising and messaging skills. Participants receive Structured Learning Sessions, Practice Clinics, Mentorship, Coaching, and every nonprofit in the program will receive unrestricted grant funding!

The training program provides resources and skills to participants in Pitch Development, Donor Connections, and Marketing Strategy.

The Class of 2024 will each share their 'fast pitch' to a GLOBAL audience at our **Main Event at 7 pm on Tuesday, March 26, 2024** in Downtown Tucson at

Invest in solutions for our local nonprofits.

"The Fast Pitch program is a transformational experience, both personally and professionally. I grew personally both in terms of my skills, getting outside of my comfort zone, and creating wonderful relationships with other incredible individuals. Professionally, I received a wealth of information and insight into donor relations and how to be more effective in my role."
